DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

¶Consolidated Cuban Petroleum Corporation

Reference is made to previous announcement regarding the proposed offer by Consolidated Cuban Petroleum Corporation to the holders of its Common Stock, Par Value 20¢, of the Right to Subscribe to additional shares of said stock in the ratio of one additional share for each four shares held. The three newly formed corporations are Bliss Coal Corporation, Truesdale Coal Corporation and Loomis Coal Corporation. The shares of Common Stock of each of these three corporations will be distributed to stockholders of Glen Alden Corporation on the basis of 1 share of each new corporation for every 100 shares of Glen Alden stock held, with scrip certificates to be distributed for fractional amounts.

The distributions will be made on or about February 5, 1958, to stockholders of Glen Alden Corporation of record on January 15, 1958, but Fidelity-Philadelphia Trust Company, the Philadelphia Transfer Agent, will distribute the shares to transferees of the stock of Glen Alden Corporation who have become record holders subsequent to January 15 and prior to the close of business on February 5 upon the submission to said Transfer Agent of a letter in a prescribed form.

The stock of Glen Alden Corporation shall be quoted "ex" said distributions tomorrow, January 31, 1958.

In absence of available quotations for the stocks of the three coal corporations specified above, open orders in the stock of Glen Alden Corporation will not be reduced by the specialists in said issue to an "ex-distribution" basis, and in lieu thereof all open orders to buy said stock on the books of the specialists at the close of business on January 30, 1958 must be returned to principals for confirmation or adjustment.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

¶New Bristol Oils Limited
Common Stock, Par Value 20¢.

Note: Notice has been received that New Bristol Oils Limited has authorized a capital distribution to its stockholders consisting of 3/10ths of a share of Common Stock, Par Value 25¢, of Bayview Oil Corporation (formerly known as Byrd Oil Corporation) for each share of Common Stock, Par Value 20¢, of New Bristol Oils Limited. Fractional shares of Bayview Oil Corporation Common Stock will not be issued, and in lieu thereof cash will be paid at the rate of 80¢ per full share of Bayview Oil Corporation stock.

In order to obtain the above distribution, holders of the Common Stock of New Bristol Oils Limited have been requested to surrender their certificates for said stock to Crown Trust Company, Toronto, Canada, accompanied by a Letter of Transmittal, for stamping on such certificates of a legend to reflect the fact that the above referred to distribution of Bayview stock has been made on the shares represented by such certificates. It is estimated that it will be approximately thirty days before the Crown Trust Company commences making the above mentioned distribution to stockholders of New Bristol Oils Limited who have surrendered their certificates to receive such distribution.

Attention is directed to the fact that the Common Stock of New Bristol Oils Limited will not be quoted "ex" the above referred to distribution on the American Stock Exchange. In lieu thereof, the stock will be suspended from dealings on the Exchange upon receipt of notice by the Exchange that the distribution of the Bayview stock has commenced by Crown Trust Company which, as indicated above, is expected to be in approximately thirty days. Said issue will be suspended from dealings due to the fact that the Bayview stock to be distributed represents a substantial portion of the assets of New Bristol Oils Limited.

Members are cautioned that until the Common Stock of New Bristol is suspended from dealings all transactions therein will be on a "distribution on" basis and that the only delivery against such transactions will be Unstamped Certificates.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

In order to obtain the above distribution, holders of the Common Stock of New Bristol Oils Limited have been requested to surrender their certificates for said stock to Crown Trust Company, Toronto, Canada, accompanied by a Letter of Transmittal, for stamping on such certificates of a legend to reflect the fact that the above referred to distribution of Bayview stock has been made on the shares represented by such certificates. NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTICE

¶Jerry O'Mahony, Incorporated
¶Red Bank Oil Company

The Board of Governors of the American Stock Exchange has authorized the filing by the Exchange of applications with the Securities and Exchange Commission to strike the following two stock issues from listing and registration on the Exchange. Dealings in said issues have been suspended for varying periods.

Jerry O'Mahony, Incorporated
Common Stock, Par Value 10¢.

Red Bank Oil Company
Common Stock, Par Value $1.00.

The Common Stock of Jerry O'Mahony, Incorporated was suspended from dealings on August 8, 1956 due to the failure of the Corporation to comply with the rules and regulations of the Exchange in the matter of furnishing stockholders and the

Exchange with required financial statements. Since such date, the Corporation and two of its subsidiaries have filed a petition for reorganization under Chapter XI of the Federal Bankruptcy Act and transfer and registration facilities for the issue have been discontinued.

The Common Stock of Red Bank Oil Company was suspended from dealings on October 16, 1945 pursuant to an Order of the Securities and Exchange Commission directing such suspension of dealings. The suspension Order of the Commission terminated at the close of business on January 3, 1947, but such suspension of dealings has been continued in effect by the Exchange to the present date. The Company has not issued any annual reports to its stockholders during the past five years which, under the rules and regulations of the Exchange, were required to be issued to stockholders and filed with the Exchange.

Hungarian-Italian Bank, Limited

7½% Thirty Five Year Sinking Fund Mortgage Gold Bonds, Series AC, due October 1, 1963.

Pomerania Electric Company

6% Sinking Fund Mortgage Gold Bonds, due May 1, 1953.

Five Year 5½% External Loan Treasury Gold Bonds, due December 1, 1921.

Swan-Finch Oil Corporation

Common Stock, Par Value $5.00.

The Bonds of Hungarian-Italian Bank, Limited, Pomerania Electric Company and Saxon Public Works, Inc. were suspended from dealings on December 12, 1941, following the outbreak of World War II. Such issues have been removed from unlisted trading due to the lack of information with respect to the status of the issuers thereof and the inability of obtaining such information.

The Bonds of Imperial Russian Government were suspended from dealings on March 21, 1956 in view of the difficulty in determining bonds on which claims against the Soviet Union have been filed, and those on which no claims have been filed, with respect to certain funds of the Soviet Union on deposit in the United States. Such issues have been removed from unlisted trading in view of the continued existence of this condition and due to the improbability of the resolution of the problem in the near future, and the uncertainty as to whether the obligations with respect to the principal and unpaid interest of such issues will ever be recognized by the Soviet Union.

The Common Stock of Swan-Finch Oil Corporation was suspended from dealings on April 16, 1957 due to trading complications which arose as a result of the allegation that certain shares had been in distribution without compliance with the registration provisions of the Securities Act of 1933, and because of the failure of the Company, despite repeated requests, to supply the Exchange with certain basic facts concerning developments in the Company. Said issue has been removed from unlisted trading due to the present indefinite status of the Company. On January 2, 1958 the Company filed a petition for reorganization under Chapter X of the Federal Bankruptcy Act and effective September 13, 1957 transfer and registration facilities for the issue were discontinued.

¶New Bristol Oils Limited
Common Stock, Par Value 20¢.

Note: Notice has been received that New Bristol Oils Limited has authorized a capital distribution to its stockholders consisting of 3/10ths of a share of Common Stock, Par Value 25¢, of Bayview Oil Corporation (formerly known as Byrd Oil Corporation) for each share of Common Stock, Par Value 20¢, of New Bristol Oils Limited. Fractional shares of Bayview Oil Corporation Common Stock will not be issued, and in lieu thereof cash will be paid at the rate of 80¢ per full share of Bayview Oil Corporation stock.

In order to obtain the above distribution, holders of the Common Stock of New Bristol Oils Limited have been requested to surrender their certificates for said stock to Crown Trust Company, Toronto, Canada, accompanied by a Letter of Transmittal, for stamping on such certificates of a legend to reflect the fact that the above referred to distribution of Bayview stock has been made on the shares represented by such certificates. NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

¶New Bristol Oils Limited
Common Stock, Par Value 20¢.

Note: Notice has been received that New Bristol Oils Limited has authorized a capital distribution to its stockholders consisting of 3/10ths of a share of Common Stock, Par Value 25¢, of Bayview Oil Corporation (formerly known as Byrd Oil Corporation) for each share of Common Stock, Par Value 20¢, of New Bristol Oils Limited. Fractional shares of Bayview Oil Corporation Common Stock will not be issued, and in lieu thereof cash will be paid at the rate of 80¢ per full share of Bayview Oil Corporation stock.

In order to obtain the above distribution, holders of the Common Stock of New Bristol Oils Limited have been requested to surrender their certificates for said stock to Crown Trust Company, Toronto, Canada, accompanied by a Letter of Transmittal, for stamping on such certificates of a legend to reflect the fact that the above referred to distribution of Bayview stock has been made on the shares represented by such certificates. It is estimated that it will be approximately thirty days before the Crown Trust Company commences making the above mentioned distribution to stockholders of New Bristol Oils Limited who have surrendered their certificates to receive such distribution.

Attention is directed to the fact that the Common Stock of New Bristol Oils Limited will not be quoted "ex" the above referred to distribution on the American Stock Exchange. In lieu thereof, the stock will

be suspended from dealings on the Exchange upon receipt of notice by the Exchange that the distribution of the Bayview stock has commenced by Crown Trust Company which, as indicated above, is expected to be in approximately thirty days. Said issue will be suspended from dealings due to the fact that the Bayview stock to be distributed represents a substantial portion of the assets of New Bristol Oils Limited.

Members are cautioned that until the Common Stock of New Bristol is suspended from dealings all transactions therein will be on a "distribution on" basis and that the only delivery against such transactions will be Unstamped Certificates.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

"(b) A Nominating Committee to nominate candidates for election at the annual election of the Exchange shall be composed of seven persons classified as follows and elected annually in the following manner:

Four regular members of the Exchange at least one of whom shall be engaged solely in the commission business.

Three associate member partners or non-member partners of regular or associate member firms or holders of voting stock in regular or associate member corporations or associate member directors or executive officers in associate member corporations, doing business for the public.

Candidates for election to the Nominating Committee shall be nominated by written petitions filed with the President of the Exchange not later than 5 P. No such petition shall be valid unless (1) it is signed by twenty-five regular members, (2) the candidate named is eligible for service on the Committee in the classification for which he is nominated and (3) the classification for service in which the candidate is nominated is specified. The President of the Exchange shall, immediately upon receipt of a valid petition, post upon the Bulletin Board of the Exchange the name of the candidate nominated by such petition and the class in which he is nominated and, if a regular member nomination, a statement as to whether the candidate is engaged solely in the commission business.

Members in making such nominations shall give due consideration to the importance of presenting regular member candidates who are representative of all phases of regular member business and non-regular member candidates who are familiar with the various types of business performed by member firms for public customers."

Provisions for Allied Members do not become effective until May 1, 1958.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

April 1, 1958.

¶Atlas Consolidated Mining and Development Corporation

Reference is made to the 5% stock dividend which was previously declared by Atlas Consolidated Mining and Development Corporation for payment to the holders of its Block Shares of record at the close of business on October 21, 1957.

Notice has now been received that the required license for the payment of the above referred to dividend has been obtained from the Foreign Exchange Control Board of the Philippines and that the certificates in payment of the above referred to dividend will be mailed by The First National City Bank of New York on April 7, 1958.

The Block Shares of Atlas Consolidated Mining and Development Corporation sold "ex" the above referred to dividend on the American Stock Exchange on October 16, 1957.

xCity of Hanover

March 31, 1958.

On May 1, 1958, there will be due for payment to holders of City of Hanover Ten-Year External 7% Convertible Gold Bonds, due November 1, 1939, with Talon Attached, of record at the close of business on April 18, 1958 the sum of $110.50 for each $1,000 original face amount of such Bonds consisting of $100.00 on account of principal of such Bonds and the balance of $10.50 on account of interest on the reduced principal amount of such Bonds of $400.00 at the rate of 5¼% per annum for the six months' period due May 1, 1958. As a result of such $100.00 payment on account of reduction of the face amount of such Bonds, the face amount thereof will be reduced to $300.00 per $1,000 original face amount.

Accordingly, subject to the condition that funds for the above referred to payment are deposited with the paying agent prior to May 1, 1958, the Committee on Securities rules that the above Bonds be quoted "ex" on Thursday, May 1, 1958, in the amount of $110.50 per $1,000 original face amount of Bonds; that all Bonds delivered after April 18, 1958, in settlement of transactions made prior to May 1, 1958, must be accompanied by due bills for the above referred to payment; that such due bills must be redeemed on Tuesday, May 6, 1958; and that the Bonds shall continue to be dealt in "flat".

Attention is directed to the act that on and after May 1, 1958, when the above Bonds are quoted "ex-distribution", quotations and transactions in said issue will continue to be made on the basis of $1,000 original face amount of Bonds. For example a transaction at 34 will mean 34% of $1,000 original face amount of Bonds or $340.00.

¶Ogden Corporation

April 7, 1958.

Notice has been received that, subject to prior effectiveness of a registration statement under the Securities Act of 1933, Syntex Corporation, a newly formed corporation which plans to acquire the assets of a subsidiary of Odgen Corporation, proposes to offer to the holders of the Common Stock and to holders of outstanding options to purchase Common Stock of Ogden Corporation the privilege to subscribe to shares of the Common Stock, Par Value $2.00, of Syntex Corporation. Such subscription privilege will be in the ratio of one share of Syntex Common Stock for each four shares, or options for four shares, of Common Stock of Ogden held. Scrip certificates for Syntex Common Stock will be issued when the subscription privilege does not call for a full share. There will be no over-subscription privilege.

The subscription privilege will be represented only by a non-assignable and non-transferable subscription form. Accordingly, the subscription privilege cannot be purchased or sold and will not, therefore, be dealt in on the Exchange.

The record date for the subscription offering will be the 7th day following the effective date of the registration statement under the Securities Act of 1933 relating to the above offering and the subscription period will be approximately 20 days.

Accordingly, subject to the condition that the subscription offering is made as aforesaid, the Committee on Securities proposes to rule the Common Stock of Ogden Corporation "ex-rights" in the regular way on the 3rd business day preceding such record date.

Since the subscription privilege will be non-assignable and non-transferable, it will be necessary for member firms to transfer into their own names or those of their customers, prior to the record date for the offering, all certificates for the Common Stock of Ogden registered in previous owners' names. Otherwise, such firms and their customers will not be in a position to obtain the subscription privilege.

In addition, member firms holding certificates for Ogden Common Stock registered in their names, but owned beneficially by their customers, must be prepared to obtain prompt instructions from their customers as to whether such customers wish the subscription privilege, which accrues to their benefit, exercised for their account.

xRaymond International Inc.
(New name of Raymond Concrete Pile Company)

April 3, 1958.

Notice has been received that the name of Raymond Concrete Pile Company has been changed to Raymond International Inc. and that the Common Stock of the Corporation has been changed from shares having no par value to shares having a par value of $10.00 per share on a share-for-share basis. For stock transfer tax purposes, such change in par value is deemed to have become effective on April 2, 1958.

Accordingly, beginning today, April 3, 1958, transactions in the Common Stock of the above Corporation will be recorded under the new name of the Corporation and in the $10.00 par value shares. The ticker abbreviation will remain as heretofore, viz: R C L.U.

Orders previously entered with the specialists or which may hereafter be entered in the above stock shall be effective as to the purchase or sale of the $10.00 par value shares under the new name of the Corporation.

The Committee on Securities rules that until further notice transactions in the Common Stock of Raymond International Inc. may be settled by delivery of certificates bearing the old name of the Corporation "Raymond Concrete Pile Company" and the old designation "Without Par Value" either without or with an overprinted legend relating to the change in name of the Corporation and the change in said stock to shares having a par value of $10.00 per share.

ADDITIONAL CHANGES TO BE MADE IN THE ABBREVIATION BOOKS

Name Changed and Par Value Changed: xRaymond Concrete Pile Company to Raymond International Inc. and Common Stock changed from shares without par value to shares having a par value of $10.00 per share on a share-for-share basis. Amendment to Certificate of Incorporation filed April 2, 1958. Effective April 3, 1958, transactions in the Common Stock recorded under the new name of the Corporation and in the $10.00 par value shares. Ticker abbreviation remains as heretofore, viz: R C L.U.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

Four regular members of the Exchange at least one of whom shall be engaged solely in the commission business.

Three associate member partners or non-member partners of regular or associate member firms or holders of voting stock in regular or associate member corporations or associate member directors or executive officers in associate member corporations, doing business for the public.

Candidates for election to the Nominating Committee shall be nominated by written petitions filed with the President of the Exchange not later than 5 P. No such petition shall be valid unless (1) it is signed by twenty-five regular members, (2) the candidate named is eligible for service on the Committee in the classification for which he is nominated and (3) the classification for service in which the candidate is nominated is specified. The President of the Exchange shall, immediately upon receipt of a valid petition, post upon the Bulletin Board of the Exchange the name of the candidate nominated by such petition and the class in which he is nominated and, if a regular member nomination, a statement as to whether the candidate is engaged solely in the commission business.

Members in making such nominations shall give due consideration to the importance of presenting regular member candidates who are representative of all phases of regular member business and non-regular member candidates who are familiar with the various types of business performed by member firms for public customers."

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

xAppalachian Electric Power Company (Name Changed to Appalachian Power Company)

April 16, 1958.

Notice has been received that, effective April 17, 1958, the name of Appalachian Electric Power Company will be changed to Appalachian Power Company.

Accordingly, beginning Friday, April 18, 1958, transactions in the 4½% Preferred Stock, Par Value $100.00, will be recorded under the new name of the Company. The ticker abbreviation will remain as heretofore, viz: A E W. PR. U.

Orders entered with the specialists prior to April 18th, or which may thereafter be entered in the above issue, shall be effective as to the purchase or sale of same under the new name of the Company.

The Committee on Securities rules that until further notice transactions in the above issue may be settled by delivery of certificates bearing the old name "Appalachian Electric Power Company" either without or with an overprinted legend relating to the change in name to "Appalachian Power Company".

¶Colon Oil Company Limited

April 14, 1958.

The Committee on Securities rules that transactions in the Common Stock, Without Par Value, of Colon Oil Company Limited must be settled by delivery of certificates for said stock.

The Committee further rules that unsettled transactions in the Ordinary Shares, Par Value 30 Shillings, of The Colon Development Company, Limited may be settled by delivery of either certificates for said issue or certificates for the Common Stock, Without Par Value, of Colon Oil Company Limited.

¶Ogden Corporation

April 15, 1958.

As previously announced, subject to prior effectiveness of a registration statement under the Securities Act of 1933, Syntex Corporation, a newly formed corporation which plans to acquire the assets of a subsidiary of Ogden Corporation, proposes to offer to the holders of the Common Stock and to holders of outstanding options to purchase Common Stock of Ogden Corporation the privilege to subscribe at $2.00 per share to shares of the Common Stock, Par Value $2.00, of Syntex Corporation. Such subscription privilege will be in the ratio of one share of Syntex Common Stock for each four shares, or options for four shares, of Common Stock of Ogden held. Scrip certificates for Syntex Common Stock will be issued when the subscription privilege does not call for a full share. There will be no over-subscription privilege.

The subscription privilege will be represented only by a non-assignable and non-transferable subscription form. Accordingly, the subscription privilege cannot be purchased or sold and will not, therefore, be dealt in on the Exchange.

The record date for the subscription offering will be the 7th day following the effective date of the registration statement under the Securities Act of 1933 relating to the above offering and the subscription period will be approximately 20 days.

Accordingly, subject to the condition that the subscription offering is made as aforesaid, the Committee on Securities proposes to rule the Common Stock of Ogden Corporation "ex-rights" in the regular way on the 3rd business day preceding such record date.

Since the subscription privilege will be non-assignable and non-transferable, it will be necessary for member firms to trans-

fer into their own names or those of their customers, prior to the record date for the offering, all certificates for the Common Stock of Ogden registered in previous owners' names. Otherwise, such firms and their customers will not be in a position to obtain the subscription privilege.

In addition, member firms holding certificates for Ogden Common Stock registered in their names, but owned beneficially by their customers, must be prepared to obtain prompt instructions from their customers as to whether such customers wish the subscription privilege, which accrues to their benefit, exercised for their account.

¶Ogden Corporation

April 18, 1958.

Reference is made to previous announcement that, subject to prior effectiveness of a registration statement under the Securities Act of 1933, Syntex Corporation, a newly formed corporation which plans to acquire the assets of a subsidiary of Ogden Corporation, proposes to offer to the holders of the Common Stock and to holders of outstanding options to purchase Common Stock of Ogden Corporation the privilege to subscribe at $2.00 per share to shares of the Common Stock, Par Value $2.00, of Syntex Corporation. Such subscription privilege will be in the ratio of one share of Syntex Common Stock for each four shares, or options for four shares, of Common Stock of Ogden held. Scrip certificates for Syntex Common Stock will be issued when the subscription privilege does not call for a full share. There will be no over-subscription privilege.

Notice has now been received that the above referred to registration statement has become effective and that holders of the Common Stock of Ogden Corporation of record at the close of business on Thursday, April 24, 1958, will receive the subscription privilege which will expire on May 16, 1958.

Accordingly, the Committee on Securities now rules that the Common Stock of Ogden Corporation be quoted "ex-Rights" on Monday, April 21, 1958. As previously announced, the subscription privilege will be represented only by a non-assignable and non-transferable subscription form. Accordingly, the subscription privilege cannot be purchased or sold and will not, therefore, be dealt in on the Exchange.

Since the subscription privilege will be non-assignable and non-transferable, it will be necessary for member firms to transfer into their own names or those of their customers, prior to April 24, 1958, the record date for the offering, all certificates for the common stock of Ogden Corporation registered in previous owners' names. Otherwise, such firms and their customers will not be in a position to obtain the subscription privilege.

In addition, member firms holding certificates for Ogden common stock registered in their names, but owned beneficially by their customers, must be prepared to obtain prompt notification from their customers as to whether such customers wish the subscription privilege, which accrues to their benefit, exercised for their account.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

xBritish Columbia Power Corporation, Limited

April 21, 1958.

Notice has been received that British Columbia Power Corporation, Limited proposes to offer to the holders of its Common Stock the Right to Subscribe to additional shares of said stock in the ratio of one additional share for each ten shares held at a subscription price to be determined shortly before the offering is made.

The record and expiration dates for the offering have not yet been established. However, the record date is expected to be a date towards the end of April 1958 and the subscription period will be about three weeks.

Upon receipt of further details regarding the subscription price and the record and expiration dates for the offering, further announcement will be issued by the Exchange including the establishment of the date on which the Common Stock of British Columbia Power Corporation, Limited will be quoted "ex-Rights" on the Exchange. In the meantime, pending establishment and announcement of the record date, it is suggested that members arrange for the transfer of certificates for said stock out of previous owners' names on a periodical basis so as to avoid unnecessary claims for the Rights.

Assignable and transferable subscription rights will be issued to stockholders in connection with the above offering. However, in view of the fact that the shares to be offered for subscription will not be registered under the Securities Act of 1933, no subscription will be accepted from any person or his agent who appears to be, or the Corporation has reason to believe is, a resident of the United States of America or any territory or possession thereof. Subscription Rights will be issued to United States shareholders who may sell their Rights in Canada.

In view of the foregoing, the above referred to Subscription Rights will not be dealt in on the American Stock Exchange.

¶Equity Corporation

April 21, 1958.

Reference is made to previous announcement regarding the declaration of a dividend on the Common Stock of Equity Corporation consisting of 13/100ths of a share of Common Stock of Financial General Corporation for each share of Common Stock of Equity Corporation held. Said dividend has been authorized for payment on June 10, 1958 to stockholders of record at the close of business on Friday, April 25, 1958 and the Common Stock of Equity Corporation will be quoted "ex" said dividend on the Exchange on Tuesday, April 22, 1958.

In connection with the foregoing, attention is directed to the fact that Equity Corporation has notified the holders of its Preferred Stock that any such holders who desire to convert same into the Common Stock of the Corporation in order to receive the above referred to distribution must do so prior to the close of business on Thursday, April 24, 1958. Each share of said Preferred Stock is convertible into ten shares of Common Stock of Equity Corporation. Accordingly, members entering into "regular way" transactions in the Preferred Stock on and after today, April 21, 1958, are cautioned that such contracts will be due for settlement after April 24, 1958 or too late to participate in the above referred to distribution.

¶Florida Canada Corporation

(Name Changed to General Development Corporation)

April 22, 1958.

Notice has been received that, effective April 21, 1958, the name of Florida Canada Corporation was changed to General Development Corporation.

Accordingly, beginning Wednesday, April 23, 1958, transactions in the Common Stock, Par Value $1.00, of the Corporation will be recorded under the new name of the Corporation with the new ticker abbreviation G D V.

Orders entered with the specialists prior to April 23rd, or which may thereafter be entered in the above issue, shall be effective as to the purchase or sale of same under the new name of the Corporation.

The Committee on Securities rules that until further notice transactions in the above issue may be settled by delivery of certificates bearing the old name "Florida Canada Corporation" either without or with an overprinted legend relating to the change in name to "General Development Corporation".

¶Tower Acceptance Corporation

April 23, 1958.

Notice has been received that, effective March 31, 1958, the New York Trust Company discontinued acting as New York transfer agent for the Class "A" Common Stock of Tower Acceptance Corporation. The First City National Bank of Houston, Houston, Texas, will continue acting as transfer agent for said stock.

In view of the discontinuance of New York City transfer facilities, the Class "A" Common Stock of Tower Acceptance Corporation will sell "ex-dividend" tomorrow, April 24, 1958, the 3¢ dividend payable on May 15, 1958 to stockholders of record on May 1, 1958. This "ex-dividend" date of April 24, 1958, is in lieu of the previously announced "ex" date of April 28, 1958, which was based on the stock being transferable in New York City.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

The following letter dated May 6, 1958 has been received from the Department of Taxation and Finance of the State of New York and which is sent for the information of the members:

American Stock Exchange
86 Trinity Place
New York 6, N. Y.

Attention: Mr. Charles E. McGowan
Vice President and Secretary

Dear Sirs:

It has come to the attention of the Tax Commission that members of your Exchange in a number of instances have failed to pay the New York State stock transfer taxes with respect to sales of stock made pursuant to underwriting agreements where the stock has been acquired by them as principals and resold to security dealers and customers.

This omission has been particularly noticeable in connection with sales made by out-of-town branch offices.

It would be appreciated if you would remind your members of the necessity for payment of the tax when due. Failure to do so may subject them to the various penalties imposed by the Stock Transfer Tax Law.

Very truly yours,

Mortimer M. Kassell
Deputy Commissioner
and Counsel

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

¶American Maracaibo Company (Name Changed to Felmont Petroleum Corporation)

May 21, 1958.

xNew England Telephone & Telegraph Company

May 21, 1958.

Notice has been received that, subject to prior effectiveness of a registration statement under the Securities Act of 1933, New England Telephone and Telegraph Company proposes to offer to the holders of its Capital Stock, Par Value $100.00, the right to subscribe to one additional share of Capital Stock for each five shares held, at the subscription price of $100.00 per share.

Attention is directed to the fact that the shares of Capital Stock of the Company to be offered for subscription will not participate in such dividend and members are cautioned to be guided accordingly.

The Subscription Rights will be admitted to dealings upon receipt of notice by the Exchange that the Company's registration statement under the Securities Act of 1933 relating to the above offering has become effective, and the Capital Stock of the Company will be quoted "ex-Rights" on the Exchange on the day following the date when the Subscription Rights are admitted to dealings.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTICE

The Securities and Exchange Commission has adopted an amendment to its Rule 240.17A-3 under the Securities Exchange Act of 1934. This rule specifies the books and records which must be maintained and kept current by members of a national securities exchange who transact a business in securities directly with others than members, brokers and dealers who transact a business through the medium of a member, and registered brokers and dealers. The amendment requires such persons to prepare and maintain a record of the proof of money balances of all ledger accounts in the form of trial balances currently at least once a month.

The Commission says that such trial balances will serve as a check upon the current status and accuracy of the ledger accounts which members, brokers and dealers are required to maintain and keep current, and will also help to keep such members, brokers and dealers currently informed of their capital positions. Maintenance of such trial balances should also reduce the number of violations of bookkeeping and capital rules. The commission is informed that most members, brokers and dealers already prepare such trial balances as a part of their regular bookkeeping procedures. This amendment does not require any additional filing with the Commission.

The amendment will be effective July 1, 1958.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

One Market for Dealings on and After June 25, 1958:

¶Nuclear Corporation of America, Inc.

As previously announced, a final liquidating distribution of 40¢ per share from a Special Reserve Fund has been authorized for payment on July 14, 1958 to holders of the Common Stock of Nuclear Corporation of America, Inc. of record at the close of business on June 30, 1958 and said stock will be quoted "ex" such distribution on Wednesday, June 25, 1958.

The payment of such final liquidating distribution to holders of the Common Stock of the above Corporation will eliminate the sole distinction presently existing between said Common Stock and the Class A Stock and both classes will, thereafter, be identical in all respects.

Accordingly, beginning Wednesday, June 25, 1958, separate markets for dealings in the Common Stock and Class A Stock will be discontinued, so that thereafter there will be only one market for dealings in the stock of the Corporation, viz: as in Class A Stock, Without Par Value. Ticker abbreviation N U E.A.

Open orders in the Common Stock of the Corporation on the books of the specialists at the close of business on June 24, 1958, reduced to an ex-distribution basis, shall be effective as to the purchase or sale of Class A Stock of the Corporation.

The Committee on Securities rules that until further notice "regular way" transactions in the Class A Stock made on and after June 25, 1958, may be settled by delivery of either certificates for said stock or certificates for the Common Stock of the Corporation.

Stockholders of Nuclear Corporation of America, Inc., which is a Michigan Corporation, have approved the merger of said Corporation into its wholly owned subsidiary, Nuclear Corporation of America, which is a Delaware Corporation, and under the terms of the Agreement of Merger the Common Stock and the Class A Stock, both without par value, of the Michigan Corporation will be converted on a share-for-share basis into Common Stock, Par Value 10¢, of the Delaware Corporation. Such merger is expected to become effective on June 30, 1958.

Subject to the condition that the above referred to merger becomes effective on June 30, 1958, as contemplated, the Common Stock, Par Value 10¢, of the Delaware Corporation will be admitted to dealings on the Exchange in substitution for the stock of the Michigan Corporation at the opening of business on July 1, 1958.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

Note: Members are cautioned that the Common Stock of Lefcourt Realty Corporation being admitted to dealings represents the present "New" Common Stock of the Corporation certain shares of which were recently offered for public sale. The only delivery against transactions in the present "New" Common Stock are certificates for said issue which bear a date of issuance subsequent to January 29, 1958. The certificates for the former Common Stock bearing a date of issuance on or prior to January 29, 1958 are not a delivery against such transactions. ¶Nuclear Corporation of America, Inc.

As previously announced, a final liquidating distribution of 40¢ per share from a Special Reserve Fund has been authorized for payment on July 14, 1958 to holders of the Common Stock of Nuclear Corporation of America, Inc. of record at the close of business on June 30, 1958 and said stock will be quoted "ex" such distribution Wednesday, June 25, 1958.

The payment of such final liquidating distribution to holders of the Common Stock of the above Corporation will eliminate the sole distinction presently existing between said Common Stock and the Class A Stock and both classes will, thereafter, be identical in all respects.

In accordance with previous announcement, beginning Wednesday, June 25, 1958, separate markets for dealings in the Common Stock and Class A Stock will be discontinued, so that thereafter there will be only one market for dealings in the stock of the Corporation, viz: as in Class A Stock, Without Par Value. Ticker abbreviation N U E. A.

Open orders in the Common Stock of the Corporation on the books of the specialists at the close of business on June 24, 1958, reduced to an ex-distribution basis, shall be effective as to the purchase or sale of Class A Stock of the Corporation.

The Committee on Securities rules that until further notice "regular way" transactions in the Class A Stock made on and after June 25, 1958, may be settled by delivery of either certificates for said stock or certificates for the Common Stock of the Corporation.

Stockholders of Nuclear Corporation of America, Inc., which is a Michigan Corporation, have approved the merger of said Corporation into its wholly owned subsidiary, Nuclear Corporation of America, which is a Delaware Corporation, and under the terms of the Agreement of Merger the Common Stock and the Class A Stock, both without par value, of the Michigan Corporation will be converted on a share-for-share basis into Common Stock, Par Value 10¢ of the Delaware Corporation. Such merger is expected to become effective on June 30, 1958.

Subject to the condition that the above referred to merger becomes effective on June 30, 1958, as contemplated, the Common Stock, Par Value 10¢, of the Delaware Corporation will be admitted to dealings on the Exchange in substitution for the stock of the Michigan Corporation at the opening of business on July 1, 1958.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

IMPORTANT NOTICE

The following letter dated July 2, 1958 has been received from the Department of Taxation and Finance of the State of New York and which is sent for the information of the members:

American Stock Exchange
86 Trinity Place
New York 6, New York

Attention: Mr. Charles E. McGowan,
Vice-President and Secretary

Dear Sirs:

It has come to the attention of the Tax Commission that members of your Exchange in a number of instances have failed to pay the New York State stock transfer taxes with respect to transfers within New York following sales of stock made pursuant to underwriting agreements where the stock has been acquired by them as principals and resold to security dealers and customers. This omission has been particularly noticeable in connection with sales made by out-of-state branch offices and out-of-state member firms.

Where the stock has been resold in New York taxes have generally been fully paid. However, where the sales are made by out-of-state branch offices and out-of-state member firms there are many cases where the branch office or out-of-state member firm has affixed an omnibus exemption certificate to cover the transfer of the stock to the names of customers. This practice is improper since the tax payable by reason of a transfer being made on books kept within New York cannot be waived even though all other steps in the transaction have taken place outside New York.

It would be appreciated if you would remind your members of the necessity for payment of the tax when due. Failure to do so may subject them to the various penalties imposed by the Stock Transfer Tax Law.

Very truly yours,

Mortimer M. Kassell
Deputy Commissioner
and Counsel

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

¶Rapid-American Corp. (7% 1967)	Quarterly interest of $17.50 per $1,000 Debenture	Aug. 4	Aug. 15	(a)

(a) Entire issue of Debentures is outstanding in registered form. The Debentures are dealt in "and interest", and accordingly are not quoted "ex-interest". In accordance with the provisions of Rule SR-81, Debentures which are delivered after August 4, in settlement of transactions made prior to August 11, must be accompanied by due bills for the above referred to interest payment. The record date for such interest payment was previously announced incorrectly as July 31.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following ruling has been issued by the Committee on Securities since the date of the last Weekly Bulletin:

xHumble Oil & Refining Company

August 20, 1958.

Notice has been received that Standard Oil Company (New Jersey) has offered the holders of the Capital Stock of Humble Oil & Refining Company the privilege of exchanging each share of the latter stock for 1¼ shares of Capital Stock of Standard Oil Company (New Jersey).

Standard Oil Company (New Jersey) will accept all shares of Humble Oil & Refining Company Capital Stock tendered for exchange. Only full shares of stock of Standard Oil Company (New Jersey) will be issued and any tendering stockholder who deposits a number of shares of Humble Oil & Refining Company which, when multiplied by 1¼, does not result in an even number of shares of Standard Oil Company (New Jersey), will have the option either to sell his interest in less than one share of Standard Oil Company (New Jersey) or to purchase an interest sufficient to entitle him to one additional full share.

The offer will expire at the close of business on October 14, 1958, and stockholders of Humble Oil & Refining Company desiring to accept such offer are required to deposit their certificates for said Company's stock, together with an Exchange Form provided for that purpose, with The Corporation Trust Company, Exchange Agent, Jersey City, New Jersey on or prior to said date.

Attention is directed to the fact that transactions in the Capital Stock of Humble Oil & Refining Company, which are made for settlement after October 14, 1958, will not entitle the purchasers thereof to receive delivery of such stock in time to participate in the above offer. Accordingly, members effecting purchases of said stock for deposit under the above offer will be required to make such purchases for "next day" delivery beginning Wednesday, October 8th, and until and including Monday, October 13, 1958, and for "cash" on Tuesday, October 14, 1958, until 12:00 o'clock Noon on said date.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin.

¶General Alloys Company

August 25, 1958.

Notice has been received that the Common Stock of General Alloys Company has been changed from shares having No Par Value to shares having a Par Value of $1.00 per share on a share-for-share basis. For stock transfer tax purposes, such change is deemed to have become effective on August 22, 1958.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

¶Hazel Bishop Inc.

September 3, 1958.

As previously announced, Hazel Bishop Inc. has invited tenders of shares of its Common Stock, Par Value 10¢, from the holders thereof for sale to the Company at a price of $4.65 per share less applicable Federal and State stock transfer taxes on the shares involved, subject to the terms and conditions specified in a letter of the Company dated August 18, 1958 to its stockholders.

The above offer is subject to revocation by Hazel Bishop Inc. up to the closing date. If the Company accepts the stock tendered pursuant to the offer, the purchase price therefor will be payable in 38 consecutive monthly installments, without interest, commencing February 1, 1959, under the terms specified in the above referred to letter of the Company. All shares of Common Stock of Hazel Bishop Inc. which are purchased by the Company pursuant to the offer will in turn be resold immediately to Television Industries, Inc., which will also reimburse the Company immediately for all sums advanced by the Company in connection with the offer and its acquisition of shares of said stock.

The above offer will expire at 3:00 o'clock P. M., Eastern Daylight Saving Time, on Monday, September 8, 1958, and holders of the Common Stock of Hazel Bishop Inc. desiring to accept such offer are required to deposit their certificates for said stock with The Marine Midland Trust Company of New York, Depositary, on or prior to said date.

As previously announced, transactions in the Common Stock of Hazel Bishop Inc. which are made for settlement after September 8, 1958, will not entitle the purchasers thereof to receive delivery of such stock in time to participate in the above offer. Accordingly, members effecting purchases of said stock for deposit under the above offer will be required to make such purchases for "next day" delivery beginning Wednesday, September 3, and until and including Friday, September 5, 1958, and for "cash" on Monday, September 8, 1958, until 12:00 o'clock Noon on said date.

xThe Mountain States Telephone & Telegraph Company

September 4, 1958.

Notice has been received that, subject to prior effectiveness of a registration statement under the Securities Act of 1933, The Mountain States Telephone and Telegraph Company proposes to offer to the holders of its Capital Stock, Par Value $100.00, the Right to Subscribe to one additional share of Capital Stock of the Company for each five shares held at the subscription price of $100.00 per share.

It is expected that the record date for the subscription offering will be the close of business on Friday, September 26, 1958, in Denver; that the Subscription Rights will be issued on or about September 30, 1958 and the Right to Subscribe will expire at the close of business on October 24, 1958, in Denver.

The Committee on Securities rules that the Capital Stock of The Mountain States Telephone and Telegraph Company be not quoted "ex" said Rights until further notice, and that all certificates for said stock which are delivered after September 23, 1958, and until further notice, must be accompanied by due bills for the Subscription Rights.

During the period in which the stock is dealt in with due bills attached, United States stock transfer tax will be required to be paid on the Rights to Subscribe represented by such due bills at the rate of 5¢ for each five Rights (1 to 4 Rights not taxable).

Members are cautioned that, subject to the above offering being made, the shares issuable upon exercise of the Subscription Rights will not participate in the dividend of $1.65 per share declared for payment on October 15, 1958 to holders of the Capital Stock of The Mountain States Telephone and Telegraph Company of record at the close of business on September 19, 1958. The stock will sell "ex" said dividend on the American Stock Exchange on September 11, 1958.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

Two Markets for Dealings from September 9, 1958 to and including September 22, 1958:

Budget Finance Plan
6% Serial Preferred Stock, Par Value $10.00.

Note: Notice has been received that the merger of Signature Loan Company, Inc. into Budget Finance Plan, previously approved by the shareholders of both corporations, became effective yesterday, September 8, 1958.

Under the terms of the merger agreement, each outstanding share of Cumulative Convertible Preferred Stock of Signature has been converted into 1¼ 6% Serial Preferred Shares of Budget; each outstanding share of Class A Common Stock of Signature has been converted into 475 thousandths of a 6% Serial Preferred Share of Budget; and each outstanding share of Common Stock of Signature has been converted into 775 thousandths of a Common Share of Budget.

With respect to the 6% Serial Preferred Shares of Budget which are to be issued in exchange for the securities of Signature as set forth above, members are cautioned that the dividends on such shares will accrue only from September 8, 1958. Thus, in connection with the next quarterly dividend of 15¢ per share on the 6% Serial Preferred Shares of Budget normally due for payment on October 15, 1958 to shareholders of record at the close of business on

September 26, 1958, the dividend on those shares of the issue to be issued to shareholders of Signature will amount to only 3⅓¢ per share.

Accordingly, until September 23, 1958, when the 6% Serial Preferred Shares of Budget are quoted "ex-dividend" in the amount of 15¢ per share, there shall be two markets for dealings therein, viz: the regular market for the presently outstanding shares (ticker symbol: BUG.VI.PR) and a separate (additional) market for those shares being issued to shareholders of Signature, the certificates for which shares will bear the identifying word "NEW" on the face thereof (ticker symbol: BUG.VI.PR.NEW). Effective September 23, 1958, the separate (additional) market for dealings in the issue shall terminate, so that on and after said date there shall be only one market, viz: as in 6% Serial Preferred Shares, with either the present form of certificates or certificates bearing the identifying symbol "NEW" representing a delivery against such transactions made on and after September 23, 1958.

To be Suspended from Dealings at the Opening of Business on Monday, September 15, 1958:

¶ United Profit-Sharing Corporation

Preferred Stock, Par Value $10.00.

NOTE: Pursuant to an amendment to the Certificate of Incorporation of United Profit-Sharing Corporation, each share of Preferred Stock (but not the arrearages of dividends thereon) of the Corporation has been converted into, and is exchangeable for, four shares of Common Stock of the Corporation. As to the arrearages of dividends, holders of the Preferred Stock may receive for each share thereof either (a) a certificate evidencing such dividend arrearages of $15.50 per share, or (b) eight shares of Common Stock of the Corporation, in which latter case the right to the dividend arrearages will be waived and relinquished.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

xAssociated Artists Productions Corp.

September 16, 1958.

Notice has been received that United Artists Associated, Inc. has made an offer to holders of the Common Stock of Associated Artists Productions Corp. whereby the holders of said stock have the privilege of tendering their shares for sale to United Artists Associated, Inc. at a price of $11.00 per share plus an amount equal to 6% per annum of such $11.00 from July 1, 1958 to the closing date for the acquisition of such shares presently scheduled to be October 17, 1958.

The above referred to offer is subject to the terms and conditions set forth in a report dated September 11, 1958 issued to stockholders of Associated Artists Productions Corp. including, among others, the condition that at least 80% of the outstanding stock of Associated Artists Productions Corp. is deposited in acceptance of the offer.

The above referred to offer will expire at 3:00 o'clock P. M. Eastern Daylight Saving Time on Thursday, October 16, 1958 unless such offer is extended to a later date. Holders of the Common Stock of Associated Artists Productions Corp. desiring to accept such offer are required to deposit their certificates accompanied by a duly executed Form of Tender with The Corporation Trust Company, Jersey City, N. J. not later than 3:00 o'clock P. M. on October 16, 1958.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

On November 1, 1958, there will be due for payment to holders of City of Hanover Ten-Year External 7% Convertible Gold Bonds, due November 1, 1939, With Talon Attached, of record at the close of business on October 21, 1958, the sum of $107.88 for each $1,000 original face amount of such Bonds consisting of $100.00 on account of the principal of such Bonds and the balance of $7.88 on account of interest on the reduced principal amount of such Bonds of $300.00 at the rate of 5¼% per annum for the six months' period due November 1, 1958. As a result of such $100.00 payment on account of reduction of the face amount of such Bonds, the face amount thereof will be reduced to $200.00 per $1,000 original face amount.

Accordingly, subject to the condition that funds for the above referred to payment are deposited with the paying agent prior to November 1, 1958, the Committee on Securities rules that the above Bonds be quoted "ex" on Monday, November 3, 1958, in the amount of $107.88 per $1,000 original face amount of Bonds; that all Bonds delivered after October 21, 1958, in settlement of transactions made prior to November 3, 1958, must be accompanied by due bills for the above referred to payment; that such due bills must be redeemed on Friday, November 7, 1958, and that the Bonds shall continue to be dealt in "flat".

Attention is directed to the fact that on and after November 3, 1958, when the above Bonds are quoted "ex-distribution", quotations and transactions in said issue will continue to be made on the basis of $1,000 original face amount of Bonds. For example, a transaction at 15 will mean 15% of $1,000 original face amount of Bonds or $150.00.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTICE TO MEMBERS

The attention of members, member firms and member corporations is directed to Notice B-30 dated November 19, 1953, prescribing minimum flat percentage rates which may be charged for the handling of clearance accounts for regular and associate members.

Clearing members have the option of charging the prescribed regular or associate member clearance rate on each transaction effected in such accounts.

Notice G-28 dated August 5, 1958, announced that these minimum flat percentage rates would continue unchanged under the new commission rate structure now in effect.

Members, member firms and member corporations are cautioned to make certain that every clearance arrangement now in effect or to be entered into in the future observes the provisions of Notice B-30 with respect to commissions charged by the clearing firm for handling the account.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following ruling has been issued by the Committee on Securities since the date of the last Weekly Bulletin:

xNachman Corporation

October 30, 1958.

Reference is made to previous ruling issued by the Committee on Securities on October 16, 1958 regarding the splitup of each share of Common Stock, Par Value $10.00, of Nachman Corporation into two shares of Common Stock, Par Value $5.00, which, subject to stockholders' approval is to be effected by the distribution to stockholders of record at the close of business on November 3, 1958, at Chicago, Illinois, of one additional share of Common Stock for each share held.

Notice has now been received that stockholders of Nachman Corporation have approved the amendment to the Articles of Incorporation of the Corporation providing for the above referred to split; that such amendment is expected to be filed with the Secretary of State of Illinois and become effective on November 3, 1958; and that certificates for the distribution of one additional share of Common Stock for each share held are expected to be mailed on said date.

Accordingly, the Committee on Securities rules that the Common Stock of Nachman Corporation be quoted "ex" on Wednesday, November 5, 1958, said distribution of one additional share of said stock for each share held; that all certificates for said stock which are delivered after October 31, 1958, in settlement of transactions made prior to November 5, 1958, must be accompanied by due bills for said distribution; and that such due bills must be redeemed on Monday, November 10, 1958.

In accordance with previous announcement, effective November 5, 1958, transactions in the Common Stock of Nachman Corporation will be recorded as in $5.00 Par Value shares, and until further notice such transactions may be settled by delivery of either certificates bearing the old Par Value of $10.00 or certificates bearing the new Par Value of $5.00.

ADDITIONAL CHANGES TO BE MADE IN THE ABBREVIATION BOOKS

Par Value to be Changed: xNachman Corporation (Common Stock) from shares having a par value of $10.00 per share to shares having a par value of $5.00 per share on a share-for-share basis. Amendment to Articles of Incorporation to be filed on November 3, 1958. Effective November 5, 1958, transactions will be recorded as in the $5.00 par value shares.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTICE RE REPRIMAND

A member firm has been reprimanded by the Exchange for failing to give a customer advance notice that the non-member commission must be charged in connection with the tender of shares of a stock dealt in on the Exchange for sale to a purchaser other than the issuing company.

Rule 394 of the Exchange requiring the charging of commissions for the receipt or delivery of Exchange securities against payment reads as follows:

"Rule 394. When a member, member firm or member corporation, in connection with a transaction made by a non-member off the Exchange, receives into or delivers out of the account of the non-member against payment securities dealt in on the Exchange, the prescribed non-member commission shall be charged."

When this rule was adopted in February, 1955, members were cautioned to notify their customers before effecting any such transaction that commissions must be charged.

In March, 1958, the Exchange published Notice G-14 to make it clear that the provisions of Rule 394 apply when a member tenders shares of a stock dealt in on the Exchange against payment in connection with a request for tenders made by any party other than the issuing company itself. This notice again cautioned members to give customers advance notice of commission charges in such cases.

All members are expected to comply with the requirements of Rule 394. In order to insure full compliance members should acquaint themselves and their personnel carefully with the provisions of the rule and Notice G-14.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTICE TO MEMBERS AND BRANCH MANAGERS ATTENTION: MANAGING PARTNERS DIVIDEND BOOK READY AFTER FEBRUARY FIRST ADVANCE ORDER NOW

On a no charge, unlimited copy basis, "Dividends For More Than A Decade", in two colors, annual survey of American Stock Exchange common stocks with outstanding dividend records, will be available for distribution soon after February 1, 1959. Member firm imprints (also free of charge) will be placed on the front cover of the booklet upon request. Imprint copy should accompany orders. Notices and order forms have now been mailed to regular and associate members, partners and registered representatives with the suggestion that ordering be coordinated by main offices.

The 16 page booklet, long a favorite with investors, and an excellent member-firm promotion, will show that approximately 45% of the Exchange's common stock issues have been paying dividends for between 10 and 110 consecutive years. The survey, presented in industrial classification form, will show total consecutive annual payments, per-share dividends paid in 1958, closing prices at 1958 year-end and the yield.

Please determine your requirements and promptly advise the Exchange's Department of Public Relations on the order forms provided for that purpose.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

¶Allied International Investing Corporation

March 18, 1959.

Reference is made to previous announcement regarding the distribution which was authorized by Allied International Investing Corporation to the holders of its Common Stock of record at the close of business on December 30, 1958 of 1-18/100 shares of Common Stock of Automatic Steel Products, Inc. plus one share of Capital Stock of Allied International Investing Corporation (Virgin Islands), a wholly owned subsidiary of Allied International Investing Corporation, for each share of Common Stock of Allied International Investing Corporation held.

As previously announced, a restraining order of the Court of Chancery in the State of Delaware has been in effect restraining the Corporation from making the above distribution as a result of which the Common Stock of Allied International Investing Corporation has not been quoted "ex" said distribution, and all certificates for the stock which have been delivered after December 30, 1958, have been required to be accompanied by due bills for said distribution.

Notice has now been received that on March 13, 1959, by judgment of the Court of Chancery in the State of Delaware, Allied International Investing Corporation and its officers, agents, employees and directors were perpetually enjoined from taking any steps to effectuate or complete the payment of the above referred to distribution.

Accordingly, previous ruling of the Committee on Securities requiring deliveries of the Common Stock of Allied International Investing Corporation which are made after December 30, 1958 and until further notice to be accompanied by due bills for the above referred to distribution is cancelled. The Committee further rules that all due bills for said distribution which have previously accompanied deliveries of the above stock shall be null and void.

¶Allied International Investing Corporation

March 19, 1959.

Notice has been received that Allied International Investing Corporation has authorized the distribution on April 6, 1959 to the holders of its Common Stock of record at the close of business on March 27, 1959 of one share of Class A Common Stock of Essential Enterprises Corporation for each share of Common Stock of Allied International Investing Corporation held.

The Committee on Securities rules that the Common Stock of Allied International Investing Corporation be quoted "ex" said distribution on Tuesday, April 7, 1959; that all certificates for said stock delivered after March 26, 1959 in settlement of transactions made prior to April 7, 1959, must be accompanied by due bills; and that such due bills must be redeemed on Friday, April 10, 1959.

¶Lefcourt Realty Corporation

March 16, 1959.

As previously announced, Lefcourt Realty Corporation has made an offer to the holders of its Class A Convertible Stock, Par Value 25¢, under the terms of which the Corporation will issue one share of its Common Stock, Par Value 25¢, in exchange for each share of Class A Convertible Stock surrendered for exchange.

The above referred to Exchange Offer is on a voluntary basis and will expire at 3:30 o'clock P. M. on March 20, 1959. Holders of the Class A Convertible Stock of Lefcourt Realty Corporation desiring to accept such offer are required to deposit their certificates together with an executed Letter of Transmittal with Bankers Trust Company, Exchange Agent, on or prior to March 20, 1959.

Attention is directed to the fact that transactions in the Class A Convertible Stock of Lefcourt Realty Corporation which are made for settlement after March 20, 1959 will not entitle the purchaser thereof to receive delivery of such stock in time to participate in the above offer. Accordingly, members effecting purchases of said stock for deposit under the above offer will be required to make such purchases for "next day" delivery beginning Tuesday, March 17, 1959, and until and including Thursday, March 19, 1959, and for "cash" on Friday, March 20, 1959, until 12:00 o'clock Noon on said date.

¶The Victoreen Instrument Company

March 20, 1959.

Notice has been received that, subject to prior effectiveness of a registration statement under the Securities Act of 1933 and the making of an offer by the Company, The Victoreen Instrument Company proposes to offer to the holders of its Common Stock and Debentures the Right to Subscribe to shares of the Company's Common Stock, Par Value $1.00, in the ratio of one additional share of Common Stock for each four shares of said stock held and eight shares of Common Stock for each $100.00 principal amount of Debentures held. In addition, stockholders and debentureholders will also be entitled to make additional subscriptions for such shares as shall have been unsubscribed for, subject to allotment.

The subscription price is expected to be announced shortly before the offering is made. The record date for the offering will be the fourth business day following the effective date of the registration statement and the subscription period will be approximately 20 days. The Subscription Rights will be issued on the basis of one Right for each share of Common Stock held and 32 Rights for each $100.00 principal amount of Debentures held and subscriptions upon exercise of such Rights will be on the basis that four Rights plus the subscription price will be required for subscription to one share of Common Stock.

The Committee on Securities rules that the Common Stock of The Victoreen Instrument Company be not quoted "ex" said Rights until further notice. Announcement will be issued at a later date with respect to the record date which is finally established for the offering.

The Subscription Rights will be admitted to dealings upon receipt of notice by the Exchange that the Company's registration statement under the Securities Act of 1933 relating to the above offering has become effective and the Common Stock of the Company will be quoted "ex-Rights" on the Exchange on the day following the date when the Subscription Rights are admitted to dealings. Dealings in the Rights will be on the basis of four Rights to subscribe to one share of Common Stock.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, titled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

¶B. S. F. Company

April 10, 1959.

Notice has been received that, subject to prior effectiveness of a registration statement under the Securities Act of 1933 and the making of an offer by the Company, B. S. F. Company proposes to offer to the holders of its Capital Stock, Par Value $1.00, the Right to Subscribe to one Unit for each three shares of Capital Stock held, each Unit consisting of one share of Capital Stock and a Stock Purchase Warrant to purchase one additional share of Capital Stock until May 20, 1964. In addition, stockholders will also be entitled to make additional subscriptions for such Units as shall have been unsubscribed for, subject to allotment.

The subscription prices for both the Rights and the Stock Purchase Warrants will be announced shortly before the offering is made. It is contemplated that the record date for the offering will be the close of business on April 21, 1959, at Philadelphia, or such later date on which the registration statement becomes effective and that the Right to Subscribe will expire at 3:30 o'clock P. M., Eastern Daylight Time, on May 6, 1959.

Company be not quoted "ex" said Rights until further notice and that all certificates for said stock which are delivered after April 20, 1959, and until further notice, must be accompanied by due bills for the Subscription Rights.

The Subscription Rights will be admitted to dealings upon receipt of notice by the Exchange that the Company's registration statement under the Securities Act of 1933 relating to the above offering has become effective and the Capital Stock of the Company will be quoted "ex-Rights" on the Exchange on the day following the date when the Subscription Rights are admitted to dealings.

xCity of Hanover

April 8, 1959.

On May 1, 1959, there will be due for payment to holders of City of Hanover Ten-Year External 7% Convertible Gold Bonds, due November 1, 1939, With Talon Attached, of record at the close of business on April 20, 1959, the sum of $105.25 for each $1,000 original face amount of such Bonds consisting of $100.00 on account of the principal of such Bonds and the balance of $5.25 on account of interest on the reduced principal amount of such Bonds of $200.00 at the rate of 5¼% per annum for the six months' period due May 1, 1959. As a result of such $100.00 payment on account of reduction of the face amount of such Bonds, the face amount thereof will be reduced to $100.00 per $1,000 original face amount.

Accordingly, subject to the condition that funds for the above referred to payment are deposited with the paying agent prior to May 1, 1959, the Committee on Securities rules that the above Bonds be quoted "ex" on Friday, May 1, 1959, in the amount of $105.25 per $1,000 original face amount of Bonds; that all Bonds delivered after April 20, 1959, in settlement of transactions made prior to May 1, 1959, must be accompanied by due bills for the above referred to payment; that such due bills must be redeemed on Wednesday, May 6, 1959; and that the Bonds shall continue to be dealt in "flat".

Attention is directed to the fact that on and after May 1, 1959, when the above Bonds are quoted "ex-distribution", quotations and transactions in said issue will continue to be made on the basis of $1,000 original face amount of Bonds. For example, a transaction at 6 will mean 6% of $1,000 original face amount of Bonds or $60.00.

As previously announced General Development Corporation has authorized the distribution on May 18, 1959 to stockholders of record at the close of business on April 24, 1959, of one additional share of Common Stock, Par Value $1.00, for each four shares of said stock held, subject to stockholders' approval of an amendment to the Corporation's Certificate of Incorporation increasing the authorized number of shares of said stock.

Notice has now been received that, in addition to the above referred to distribution and subject to stockholders' approval of the above referred to amendment to the Corporation's Certificate of Incorporation increasing the authorized number of shares of said stock, a further distribution of one additional share of Common Stock for each share held of record at the close of business on April 24, 1959 will be made after giving effect to, and taking into account, the 1-for-4 distribution referred to above. During the period in which the stock is dealt in with due bills attached extra New York State stock transfer tax will be required to be paid on the shares represented by the due bills at the rate of 4¢ for each share of said stock represented by the due bills. DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.
